

UNIVERSITY INTERNATIONAL CLUB

SPRING PROGRAMME 2015

FOUNDED IN 1998

WELCOME TO THE UNIVERSITY INTERNATIONAL CLUB (UIC)

A new programme is ready and we are pleased to present it and to invite all foreign and Danish staff and their spouses to join us. We offer a friendly meeting place where you can start or extend your network, and meet other staff members and/or their spouses, as everyone associated with International Community.

The spring programme offers weekly events, as seminars, meetings, and excursions. Most aim at giving a better understanding of the Danish society, like Danish development aid, Parliament election 2015, Danish Tax system, Daily Banking and Buying a House. Our regular events usually take place on Wednesdays, and we meet up at the DTM Building 1650 (see map on reverse side) – unless otherwise announced. This semester, however, some events fall on Mondays and one Thursday.

Some dates no event has been planned yet. Updates, details, and news can be found on our website www.au.dk/uic, and we encourage all to check it regularly. Here you can also sign up for our weekly newsletter, Monday emails, language training, and more. Also notice the PlayGroup at the Main Library for young parents and small children announced there.

The UIC has been helping newcomers settle in since 1998, and welcomes people from all nations, educational backgrounds and languages. We encourage a positive atmosphere and will do our best to help you enjoy your stay here.

Please do contact us, if you need further information.

We look forward to seeing you!

Gitte Haahr-Andersen
