- › **Aarhus University**
- › **AU Research and Support Office**

HORIZON 2020 STRUCTURE

TENTATIVELY

All the following slides are based on DRAFTS and are therefore with reservations, tentatively and subject to change!!!!

**Final work programmes are expected
11th of Dec. 2013**

Deadlines from medio March 2014

WP 2014-15 overview

- › 16 work programmes
- › Approx. 55+ calls
- › Each call with 1-42 activities

Welcome to the Research and Innovation Participant Portal

About the Participant Portal:

The Participant Portal is your entry point for the electronic administration of EU-funded research and innovation projects. It hosts services for managing proposals and projects throughout their lifecycle.

The Participant Portal supports activities funded mainly by the following EU programmes:

- 7th Framework Programme for Research and Technological Development (FP7)
- Competitiveness and Innovation Framework Programme (CIP)

Using the Participant Portal:

As a guest user, browse the public pages to:

- search for funding opportunities
- download guidance and legal documents
- search for the participant identification code (PIC) of an organisation
- consult the FP7 support services and browse the help for guidance on the Participant Portal tools

As a registered user, benefit from personalised services for proposal submission, registration, and project management.

 European Commission

Research and Innovation Participant Portal

The screenshot displays the Research & Innovation Participant Portal interface. At the top, there is a navigation bar with the European Commission logo, the text 'RESEARCH & INNOVATION Participant Portal', and a 'BETA VERSION 4' badge. Below the navigation bar, there are links for 'HOME', 'FUNDING OPPORTUNITIES', 'HOW TO PARTICIPATE', 'EXPORTS', and 'SUPPORT'. A search bar is present with the text 'SEARCH TOPICS' and a 'FUNDING GUIDE' button. The search results are filtered for 'climate change' and show three results. The first result is for 'SFS 7 - 2014: Optimising external nutrient inputs in intensive crop production systems in Europe', with a call title 'Sustainable Food Security' and a status of 'Open'. The second result is for 'WATER 2 - 2014/2015: Integrated approaches to water and climate change', with a call title 'Water Innovation: Boosting its value for Europe' and a status of 'Open'. The third result is for 'WATER 5 - 2014/2015: Strengthening international R&I cooperation in the field of water', with a call title 'Water Innovation: Boosting its value for Europe' and a status of 'Open'. The interface also includes a sidebar with 'Calls' (Horizon 2020, COSME), 'Search Topics', 'Call Updates', 'Other Funding Opportunities', and 'Previous Framework Programmes (FP7 & CIP)'. A 'Stay informed' section at the bottom left offers RSS feed, iCal, and email notification options.
