

**To monthly paid employees at IFA
(VIP, TAP, PhD part B, ordinarily and externally financed)**

Holiday registration for the holiday year 1st September 2021 – 31st August 2022

IFAs guidelines for the standard holiday looks as follows for the coming holiday year.

Ordinary holidays:

You accrue 2,08 days/ month = 25 vacation days pr. year.

Qualifying year: 1 September – 31 August

Holiday year: 1 September – 31 December (16 months)

Main holiday period (3 weeks): 1 May – 30 September

Special holiday (Union negotiated days and therefore not part of the new holiday act):

You accrue 0,42 day / month = 5 special holidays pr. year.

Qualifying year: 1 January – 31 December

Holiday year: 1 May – 30 April (in the following calendar year)

This year IFAs guidelines are such that the “**standard holiday profile**” will be pre-registered in August/September.

Holiday profile, ordinary holidays:

- 4 days at Christmas (27-30 Dec 2021)
- 1 day at Easter (13 April 2022)
- 3 weeks in July/August (weeks 29, 30 and 31, 2022)
- 5 days in October (week 42, 2022)

Holiday profile, special holidays:

- 5 days in February (week 7, 2022)

For **fixed term employees** - including Ph.d students - **the ordinary holiday** and **all special holidays** accrued, corresponding to the holiday profile, must be held within the period of employment.

For **new employees**, who have accrued a partial right to holiday, holiday is registered according to the above mentioned principles, if the handling of tasks permit that holiday will be taken.

The dates for taking holiday and special holidays are considered to be fixed. However, changes can be made if you wish and if duty permits.

Changes to pre-registered holidays are made in agreement with your superior (note; **Prior** to registered dates) followed by an e-mail to heidi.pedersen@phys.au.dk cc your superior.

In the e-mail write;

- Which days you want deleted
- Which days you want registered instead.
